(Child's Name)

_____

can administer his/her own medication*/requires supervision to administer his/her own medicine*/requires assistance in administering his/her medicine*.

_____

_____

I request that the treatment be given in accordance with the above information by a named member of the school staff who has received all necessary training. I understand that it may be necessary for this treatment to be carried out during educational visits, out-of- school activities and Residential Visits as well as on the school premises.

I undertake to supply the school with the drugs and medicines in the original duplicate labelled containers, provided by the Dispensing Chemist.

I accept that whilst my child is in the care of the school, the school staff stand in the position of the parent and that the school staff may, therefore, need to arrange any medical aid considered necessary in an emergency, but I will be told of any such action as soon as possible.

I can be contacted at the following address/telephone during school hours:
