TRANSFORM TRUST
'Together we Achieve'

September 2025

Dear Parent/ Carer

At Breadsall Hill Top Primary children's' safety is a priority and we are constantly reviewing our safeguarding responsibilities.

Children continue to be our responsibility until they are in the care of another adult. With this in mind, children in year 5 and above will be the only pupils able to walk home alone or with another child below the age of 16 with written permission of an adult with parental responsibility. All other children from year 4 down to Reception must be collected by somebody over the age of 16. Whilst we know this may be inconvenient to some of our parents, we hope you understand our priority for keeping children safe.

We appreciate your support and understanding regarding this matter.

Yours sincerely,

Mrs R McNeil
